

INDIANA TECH

Vice President for Institutional Advancement

[Indiana Institute of Technology](#), located in Fort Wayne, Indiana, seeks a Vice President for Institutional Advancement to serve as a strategic partner in leading efforts to bring substantial new financial resources to the institution in support of its educational mission and specific strategic priorities. The Vice President for Institutional Advancement is a member of the President's Senior Leadership Team and reports directly to the President.

The Vice President for Institutional Advancement will lead the Office of Institutional Advancement in the administration and management of a comprehensive development program including principal, major, leadership, annual, and planned gift donor strategy, with the goal of growing a culture of philanthropy and engage all constituencies (alumni, parents, businesses, foundation, corporations, and other friends) in support of Indiana Tech's mission. The Vice President for Institutional Advancement will also oversee alumni relations, grant application and oversight, publications, advancement services, and corporate/foundation relations. S/he will assist other university administrators in fundraising efforts and develop volunteer leadership and engagement through the Indiana Tech Alumni Association.

Required is an earned bachelor's degree from a regionally accredited college or university and seven (7) or more years of progressive experience in fundraising and administrative experience in advancement and development-related areas. Preferred is an earned master's or doctorate/terminal degree in administration, higher education, business or related field from a regionally accredited college or university. Certified Fund Raising Executive certification and proven experience in leading a successful capital campaign is advantageous. The annual salary range is \$170k - \$200k.
